

wealthmonitor

mergermarket's wealthmonitor division is looking to hire an entry level multi-lingual researcher to be based in London. mergermarket is a media company specialised in providing information and analysis for the Mergers & Acquisitions (M&A) market. wealthmonitor is a proprietary service tracking current and future liquidity events and the individuals that will benefit from them financially.

The role will primarily involve researching and evaluating European mergers and acquisitions as well as other liquidity events and their benefactors.

Main duties and responsibilities include:

- Researching liquidity events (primarily Mergers & Acquisitions) in foreign languages
- Analyzing specific transactions to determine whether or not they meet the database inclusion criteria
- Researching individuals benefiting from such liquidity events
- Inputting these data in a proprietary database
- Communicate and work closely within our international team and with other departments (particularly Editorial, CRM and Sales) to help grow the wealthmonitor product

Other activities may include report writing, statistical analysis, client meetings and writing articles for the database.

Skills required:

- Fluency in written & spoken German (business standard), is essential
- Good understanding of Dutch is an advantage
- Excellent English language skills
- Good university degree (preferably with a business or economics background)
- Attention to detail
- Good computer literacy skills
- Ability to work independently and in a multicultural team

To apply, please email your CV and covering letter to: Jana.Baumann@wealthmonitor.com

The Mergermarket Group is fully committed to a policy of non-discrimination and to promoting equality of opportunity in employment on grounds of merit, experience, skills and aptitude in order to maximise the full potential of both existing and prospective employees.
