## Criteria

---

All data is based on transactions over USD 5m and is based on the Mergermarket's M&A deals database. Deals with undisclosed deal values are included where the target's turnover exceeds USD 10m. Deals where the effective stake acquired is less than 30% will only be included if the value is greater than USD 100m. Full deal inclusion criteria can be found [here](#).

**League tables:** Based on the geography of the target, bidder or seller, and excludes lapsed and withdrawn bids. Private equity buyout league tables are based on advisors advising the bidder only on buyout deals with target dominant geography being the country/region and excludes lapsed and withdrawn bids. Private equity exit league tables based on advisors advising the target/seller on exit deal with target dominant geography being the country/region and excludes lapsed and withdrawn bids.

League Tables correct as of 09:30 (GMT) 01 Jul 2022.  
Cut-off date - 30 Jun 2022.

## Mergermarket

In M&A, information is the most valuable currency. Mergermarket reports on deals 6-24 months before they become public knowledge, giving our subscribers a powerful competitive advantage. With the largest network of dedicated M&A journalists and analysts, Mergermarket offers the most comprehensive M&A intelligence service available today. Our reporters are based in 67 locations across the Americas, Europe, Asia-Pacific, the Middle East and Africa.
